From the publisher

For more than 150 years, Associated Newspapers has brought local news to communities in this area. These publications have won hundreds of both state and national journalism awards during that century and a half of publishing and have weathered some serious challenges.

The past few weeks have presented a serious challenge as our editor who is our only editorial staff member, suffered a serious injury and is unable to produce any copy for our local pages. She will be incapacitated for several weeks.

We hope that explains the few pages online this week as we attempt to make decisions and plans for the future.

It is and has been for many, many years, an honor and a privilege of our publications to be entrusted with the publication of legal notices from several communities in the area. Above all else, we plan to honor that trust and publish the vital legal notices this week, although our news coverage is severely lacking in both our usual quality and quantity.

These serious circumstances will impact our plans for the future, but those plans will include, as they have for more than 150 years, our constant commitment to best serve our readership and our communities.

Northville Township receives top AAA bond rating

Standard & Poor's maintains Northville Township's bond rating as AAA. This is the highest assigned rating and indicates that the Township has excellent creditworthiness, healthy reserves and prudent financial management that ensures the capacity to repay investors. "The designation qualifies the Township for the best interest rates when borrowing to fund long-term projects, like the new public services building on 15 acres of Legacy Park, the former state psychiatric hospital on Seven Mile Road," said Northville Township Treasurer Jason Rhines. Northville Township plans to use its AAA bond rating to secure a low-interest rate for the $15 million bonds it plans to sell in late February. The proceeds will be used to partially finance the construction of the Essential Services Complex (ESC) at Legacy Park.

The ESC will provide a second fire station, which is needed to reduce response times to the northeast quadrant of the community, as well as a new state-of-the-art police headquarters. Additionally, the ESC will be home to a new facility for the Department of Public Works and a Northville Parks & Recreation building, which will provide restrooms for residents near a trailhead to Legacy Park. The total project is expected to be completed in the spring of 2025. "This facility is important to the Board of Trustees because we value the health and safety of our residents," said Northville Township Supervisor Mark J. Abbo. "It will lead to better response times from the Fire Department, our Police Department, and even our Public Works professionals, particularly our Water & Sewer team. That translates to providing better service to the community."

Not only has Northville Township received the coveted AAA bond rating, but has also been repeatedly recognized by the Government Finance Officers Association for its budget and financial plan, most recently for its 2023 budget. It's in the top 2% of Michigan for its excellence in budgeting. "This AAA bond rating speaks to Northville Township's mindfulness of being careful with every public dollar," said Supervisor Abbo. "We are excited about Northville Township's future and the improved service delivery the Essential Services Complex will provide our wonderful community."

Voters approve school district bond millage request

Voters in the Plymouth Canton Community Schools district overwhelmingly approved the operating millage renewal proposal last Tuesday. Preliminary results showed that 20,413 voters, or 71 percent of the votes cast, were in favor of the renewal while 8,151, or 29 percent, voted no on the question. The millage renewal was included on the Feb. 27 presidential primary ballot. The millage is a non-homestead renewal levied only on businesses and rental properties and homeowners are not subject to the tax. According to the district website, the millage renewal supports school safety officers, teachers, school nurses, counselors, social workers, bus drivers, and other staff members. The millage renewal will not increase taxes paid by homeowners but will continue the current levy against businesses and rental properties.

Officials said all funds from the operating millage renewal will be required to undergo an annual, independent audit and be documented at www.pccsk12.com.

After the tour, head over to Maybury Farm's General Store, where hot drinks and snacks are available to purchase, as well as Pure Michigan Maple Syrup and other maple products. Guests will receive a recipe for cooking with maple syrup.

Before or after your tour, walk around the farm and view the animals. This is a fun and educational experience for all ages and a great activity to enjoy with family and friends.

Maple Syrup Tours costs $11 per person, and children under two get free admission. View Maybury Farm's website for more information.

Romulus voters reduce monthly council meetings from 3 to 2

Romulus City Council members will have a lighter meeting schedule beginning July 1 of next year.

A ballot proposal to amend the city charter provisions reducing the number of monthly meetings from three to two each month was approved by a nearly 2 to 1 margin by voters on Tuesday. The question was the only local issue on the Feb. 27 presidential primary ballot.

Voters approved the change with 2.082 yes votes or 62.65 percent of the ballots cast while no votes totaled 1,241 or 37.35 percent of the votes recorded. The totals were the unofficial results provided by the office of the city clerk. Of the total 3,323 votes cast, 100 were by early voters while 1.071 were cast on Election Day.

Absentee voters totaled 2,152 on the question according to information from the clerk's office.

The amendment becomes effective July 1, 2024.

Romulus voters selected Joe Biden as the top Democratic presidential candidate with 1,813 votes and Donald Trump as the Republican candidate with 1,007 votes. Biden received 84,96 percent of the Democratic votes while Trump was the choice of 82,81 percent of Republican primary election voters.

There were 2,134 votes cast on the Democratic ballot and 1,12 votes on the Republican primary election ballot.
